1. PREFACE

New Town has emerged as one of the finest and fastest growing satellite townships adjacent to Kolkata. New Town is only Smart Green City in West Bengal our 100 Smart Cities in India. It caters to the housing need of all sections of the Society. It also provides a superior physical infrastructure with robust health care facilities, Education hubs, IT hubs and financial hub etc.

Along with the development of the city, encroachment of hawkers adjacent to newly developed Roads (Road includes pavement) also started over a period time, coinciding with increase in residential and institutional occupancy in the town. The unplanned hawkers' encroachments have created a huge disadvantage for an ideal city life in New Town. The footpaths are choked and movement of pedestrians restricted at several key areas, causing huge disturbance to the city residents and affecting the quality of life in New Town. There are also constant complaints from residents against nuisance in the Hawker encroached areas.

Need of Rehabilitation of Hawkers in New Town:

1. *This is relevant to state that 80% footpath has already been constructed in Action Area-I. Hence, 20% of footpath are yet to be constructed. It has become very difficult to construct footpath due to encroachment by hawkers.*
2. *Similarly, in Action Area-II and III no footpath has yet been constructed due to the same reason.*
3. *The laying and maintenance of **Public Utility Services** like*
 - (a) Wi-fi cable*
 - (b) Water supply line*
 - (c) Drainage*
 - (d) Power cable of WBSEDCL for residential and commercial connections*
 - (e) Power cable of NKDA for street light connections are not conceivable due to encroachment by hawkers. The speedy growth of the township is about to halt.*

Besides it causes the following hindrance to the daily public life as

 - (a) Cleanliness of the township is at stake and it causes various troubles to the Public Health like Dengue, Malaria and other **vector borne diseases**.*
 - (b) It also causes the traffic congestion in the city.*

(c) Moreover, the sign of the healthy city is being shattered.

In view of the above, NKDA has decided to 100% rehabilitation of the roadside hawkers as the policy of the Government. The Government as well as NKDA as part of the government is enough sympathetic to better lively hood of roadside hawkers. The NKDA is solemn to fulfil this commitment and acting accordingly since long past.

Smart City Guidelines on accessibility i.e. encroachment free areas:

New Town Kolkata is only Smart City in West Bengal out of 100 Smart Cities in India selected through a competitive process for Government of India funding under Smart Cities Mission. As a Smart City under this mission, the principles laid down in the guidelines must be followed by all smart cities:

A. Essential Features of Smart City Plan: paragraph 6.2, page 9 of the guidelines states “.....visible improvement in the Area (e.g. replacing overhead electric wiring with underground wiring, encroachment-free public areas, and ensuring safety of citizens especially children, women and elderly)”

Inference: Hence, public areas have to be kept free of encroachments in a smart city. New Town has committed to this requirement and the Smart City proposal has been accepted due to adherence to this requirement.

B. Essential Features of Smart City Plan: paragraph 6.2, page 9 of the guideline's states “.... pedestrian friendly pathways, encouragement to non-motorized transport (e.g. walking and cycling)”

Inference: To ensure walkability, pavements need to be kept clear of encroachments.

C. Smart City Features: Paragraph 3.1, iii, page No.7 of the guidelines “The road network is created or refurbished not only for vehicles and public transport, but also for pedestrians and cyclists”

Inference: Roads are to be available to pedestrians. So, pavements need to remain encroachment free in a Smart City.

In 2017, New Town Kolkata Development Authority undertook an ambitious planning for rehabilitation of hawkers in New Town area for which NKDA planned for hawkers' markets for the purpose of rehabilitation hawkers in different locations of New Town.

**MINUTES OF THE 3RD MEETING OF THE TOWN VENDING COMMITTEE OF NEW TOWN
HELD ON 15-02-2024 AT 2:00 PM IN THE CONFERENCE ROOM OF NKDA.**

MEMBERS PRESENT:

Enclosed.

Chief Executive Officer, New Town Kolkata Development Authority and Chairman, Town Vending Committee of New Town welcomed the members present and initiated the discussion.

First of all, the resolution of the Second Meeting of Town Vending Committee dated 15-12-2023 was confirmed by all the members of Town Vending Committee present. Then agenda wise discussion was held in details and following decisions were taken:

1. Finalisation of Survey Modalities and Distribution of Stalls to the road side hawkers:

Town Vending Committee, New Town observed that some unwanted situation happened in recent past in case of distribution of hawker stalls. Hence, Town Vending Committee, New Town decided to finalise the modalities to be strictly followed so that no awkward situation may arise further in case of distribution of hawker stalls. After detailed discussion, the Town Vending Committee, New Town finalised the following modalities of survey:

- i) Hawker's stall shall be allotted only to the road side hawkers who run the shop by himself/herself.
- ii) Affixing of stall number stickers to the existing road side hawker's shop and make videography simultaneously with the shop owner.
- iii) Collection of copy of Aadhar Card along with phone no. and stall number affixed of the existing road side hawkers.
- iv) Ascertain ownership of shop whether it is rented or run by himself /herself. As there is a huge complains that the allotted shop owners are mostly outsiders. It only happens in case of rented shop. Legally, road side shops on government land shall not be rented out. The shop owner who rented the shop has no need to run the shop for his or her livelihood. Hence, the tenant and owner of the shop are not entitled to have any shop allotted for the purpose of rehabilitation of road hawkers.

Town Vending Committee, New Town further discussed regarding formation of Survey Team and finalised the following members of Survey Team:

- i) Representative of Member of Parliament (Lok-Sabha- Barasat).
- ii) Representative of MLA, 115, Rajarhat-New Town AC.
- iii) Representative of Sabhapati, Rajarhat Panchayet Samity.
- iv) Representative of NKDA

- v) Representative of I.C. of the concerned Police Station.
- vi) Representative of Town Vending Committee from Hawkers Union, New Town.

Town Vending Committee, New Town discussed, in details, regarding the eligibility of getting shop and after discussion finalised following eligibility criteria for getting shop:

- (a) Person who owned the shop at the road side and run the business regularly by himself/herself.
- (b) No hawker stall was allotted to him previously in any location in New Town.
- (c) Each eligible family will get one shop. Definition of family will be followed as per Law. In case of unmarried family, if they have separate kitchen and adult, then they will be declared as separate family.
- (d) Person will be not allowed to get shop in case he is not running business at present.
- (e) If NKDA or Town Vending Committee, New Town informed that the allottee rented his allotted shop to others, then allotment of shop will be cancelled forthwith.
- (f) Person who is running business at the road side on rented shop will not be entitled to get shop.

2. Approval of hawker list for DCP Market (New):

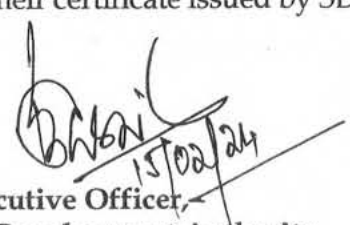

A list of 53 hawkers of street no- 30, 47 and 85 (both sides) were placed before the Town Vending Committee, New Town and the Committee after discussion approved those names for allotment in DCP Market (New).

3. Miscellaneous:

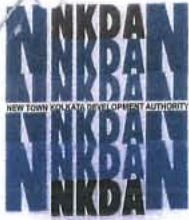

After detailed discussion, following decisions were taken:

- i) Phase by phase survey will be done and will be started just after the Lok Sabha Election.
- ii) Out of the total shops in any market, 10% of the shops will be reserved for the Departments of the Government of West Bengal and 10% of the shop will be reserved for Land Losers. For land losers, following documents will be required to submit:
 - a) Copy of payment notice to be submitted.
 - b) If the awardee is not alive, in that case lottery will be done amongst legal heirs of the awardee and result of lottery (one) will get shop. Legal heir certificate issued by SDO to be submitted.

The meeting ended with thanks to and from the chair.

RECORD OF DECISIONS OF THE MEETING OF TOWN VENDING COMMITTEE, NEW TOWN

Date: 01.08.2024

Time: 3 pm

Venue: NKDA Conference Hall (4th Floor)

- Members present: (List enclosed)

Chairman, Town Vending Committee, New Town and Chief Executive Officer, New Town Kolkata Development Authority welcomed the members present and initiated the discussion.

Discussion was held agenda-wise as follows:

1. Provisions of Town Vending Act, Rule & Scheme-

A threadbare discussion was made on the following Act, Rules and Scheme:-

- (a) The Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014.
- (b) The West Bengal Urban Street Vendors (Protection of Livelihood and Regulation of Street Vending) Rule, 2018
- (c) The West Bengal Urban Street Vendors (Protection of Livelihood and Regulation of Street Vending) Scheme, 2020

to appraise the members of the Town Vending Committee.

As per rule 9 (e)(i) of The West Bengal Urban Street Vendors (Protection of Livelihood and Regulation of Street Vending) Rule, 2018, "two-third of the width of the footpath shall be earmarked so as to ensure smooth pedestrian movement."; that means one-third of the footpath may be allotted for the vendors where ULBs/ Government/ Local Authorities are unable to find any suitable land for rehabilitation of the street vendors.

In case of New Town, NKDA Authority rehabilitates its street vendors in designated spaces and markets with adequate infrastructures.

As such, NKDA is unable to allow any hawkers in the footpath due to following reasons:

- a. All public utility services are lying underground, like:
 - i. Water pipelines
 - ii. Electricity cables for house connection by WBSedCL
 - iii. Electricity cables for streetlights by NKDA
 - iv. Drainage system
 - v. Wi-fi cables

Contd..

2. Vending Certificate of the hawkers at Hawker Market-

Specimen format (following the format of KMC) of vending certificate was shown and the member of Town Vending Committee approved the specimen. In due course of time, the vending certificate will be issued among the hawkers vending at the designated hawker markets.

3. Approval of the list of hawkers to be allotted at DCP Market (new)-

a. 28 nos. (sl. no. 1 to 28 of the list) of hawkers at Street No. 64 near Canara Bank have prayed to NKDA for allotment of stalls at the DCP Market (new). Considering their prayer, the allotment of stalls for 28 hawkers at DCP Market (new) will be made through lottery.

b. In terms of the Order of the Hon'ble High Court, Calcutta in connection with W.P.A. 1848 of 2024, Naoolin Realcon Private Limited versus The State of West Bengal and Ors., the Chief Executive Officer NKDA passed a reasoned order, dated 25.06.2024, it was decided that "seven stalls be removed to clear encroachment of the public place and appropriate actions be initiated by the New Town Kolkata Development Authority to rehabilitate the callings in the said seven stalls in other befitting place in appropriate manner."

In terms of the said order, the allotment of seven nos. of hawkers (sl. no. 29 to 35 of the list) at Naoolin Realcon Private Limited, opposite of Axis Mall will be made through lottery at DCP Market (new).

4. Revocation of allotment of 8 (nos.) hawkers at DCP Market (new) due to continuous refusal of allotment letters-

Despite repeated request for taking the allotment letters of 8 nos. of hawkers (as listed) at DLF 1 are not agreed.

The union members of the Town Vending Committee requested the Chairman of the Town Vending Committee to give them two days' time to settle down the issues. Accordingly it was decided that they have to collect their allotment letters by 05.08.2024 positively, failing which the allotment will stand cancelled.

5. Decision regarding closed/ non-vending/ new hawker stalls-

Town Vending Committee has decided to refer the matter to the Government for decision.

6. Details of hawker's survey held from 2nd July to 10th July 2024:

- **Raw data-** Discussed in detail and shown to all the members of the Town Vending Committee
- **Location-wise survey list-** Discussed in detail and shown to all the members of the Town Vending Committee .

Contd..

- **Synopsis of the survey list-** Discussed in detail and shown to all the members of the Town Vending Committee
- **Issuance of Identity card to the new hawkers-** Town Vending Committee has decided to refer the matter to the Government for direction.

7. List of hawkers as per survey during Nov-Dec 2023-

- TCS area- 177 nos. (left out from recent survey- 43 nos.)
- Unitech Gate II- 31 nos. (left out from recent survey- 31 nos.)
- Shapoorji- 283 nos. (left out from recent survey- 94 nos.)
- Tarulia- 35 nos. (left out from recent survey- 4 nos.)

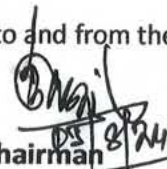

The NKDA Authority has been working on hawker rehabilitation since January 2023. As a result of that, a survey was done location-wise. Accordingly, some vendors without allotment of the stalls have shifted/ removed their stalls. In obvious reason, they were left out in the existing survey list (July 2024). Their names and details of the vendors are lying with NKDA. Their names, as mentioned above will be incorporated in the present survey list.

All the members of the Town Vending Committee agreed with the proposal.

8. Miscellaneous-

- If any member of the Town Vending Committee remains absent consecutive meetings without assigning any reasons for his/her absence, his/her membership will be terminated and another member in the same category will be incorporated as per provision of law of the land.
- If any structure/ hut in Government land is constructed without any vending activities then that structure/ hut will be treated as 'No-vending Activity' and will be removed as per provision of law of the land.
- Vending activities will be done by the vendor himself/herself or by any member of his/her family. The definition of 'family' as described in law of the land.
- More than one stall allotted to a family will be treated as cancelled.
- Notice will be issued if it is observed that the rehabilitation stall is rented to others. Subsequently, the allotment of stall will be revoked immediately.

As there were no other issues to be discussed, the meeting ended with a thanks to and from the chair.

RECORD OF DECISIONS OF THE MEETING OF THE TOWN VENDING COMMITTEE, NEW TOWN

Date: 27-09-2024

Time: 4:00 PM

Venue: NKDA Conference Hall (4th Floor)

MEMBERS PRESENT: (List enclosed)

Chairman, Town Vending Committee, New Town and Chief Executive Officer, New Town Kolkata Development Authority welcomed the members present and initiated the discussion.

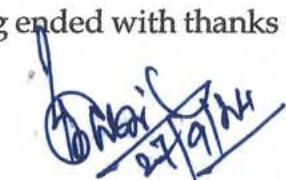

Following decisions were taken:

1. The list of eligible hawkers in TCS area was placed before the Committee which is 260 nos. and the list has been approved by all members of the Town Vending Committee, New Town present. It was decided that normally, the hawkers who are residing at 115-Rajarhat-New Town Assembly Constituency are eligible for getting rehabilitation stall/shop at NKDA Market as was decided in the meeting dated 20-09-2024 chaired by Hon'ble MP, Barasat Parliamentary Constituency in presence of Hon'ble MLA 115-Rajarhat-New Town Assembly Constituency and other members. But in case of hawkers in TCS, as the list has been prepared long before, so this may not be applicable for the hawkers in TCS area. All the members of the Committee were agreed and approved list. Lottery for the allotment of shop/stall will be held accordingly.
2. There is an exception of the rule, in case of NKDA Market at Tarulia, as the said area is under 117-Rajarhat-Gopalpur Assembly Constituency. Hence, the hawkers are under 117-Rajarhat-Gopalpur Assembly Constituency and 115-Rajarhat-New Town Assembly Constituency are eligible for getting rehabilitation stall/shop at NKDA Market.
3. It was stated in the meeting that there were 299 hawkers in Saporjee Temporary Market. There were 52 stalls will be removed due to construction of Service Road from Saporjee Choumatha to canal near flyover. So, there were 351 no. of hawkers. But on scrutiny, it was revealed that there are 212 hawkers are residing in 115-Rajarhat-New Town Assembly Constituency. But there are 205 stalls are under construction for allotment. It was decided that balance (212-205) i.e. 7 hawkers will be allotted at Saporjee Old Market to accommodate all 212 hawkers. The list was approved by the committee.

Contd.

4. It was mentioned that there 17 hawkers in Axis Mall (opposite to Naoolin) area who are yet to be rehabilitated. It was decided that they will be rehabilitated at TCS MKDA Market.
5. Further, the 7 hawkers in front of Naoolin near Axis Mall. Allotment letters for stalls for these 7 (seven) hawkers was given to them on 09-08-2024 but the allotment letters were refused by these 7 (seven) hawkers. Allotment letters were attached to their shops/stalls. They were requested several times. If they vacant the places Suo Moto, the allotment of the stalls will remain in force. If they have to be removed from their existing place with the help of Police Administration, then the offers will be revoked.
6. A list of 51 hawkers of Unitech Gate-II (New) was placed before the committee for approval. For the list of the hawkers of Unitech Gate-II, as the list was prepared well before, so the procedure as applicable in the hawkers of TCS area will also be applicable here also. All the members of the Committee were agreed with this decision and approved list.
7. It was also decided that following actions will be taken just after the Puja:
 - a. As per Hawker Survey, there are 2125 hawkers in 25 locations. Necessary actions are to be taken immediately to Identity Cards to each hawker who are not yet rehabilitated after segregation of Assembly Constituency.
 - b. Measures will be taken for collection of rent from the hawkers as per decisions of 66th Board Meeting of NKDA.
 - c. Attempts will be made for implementation of PM SVA Nidhi Scheme amongst the hawkers.
 - d. Issuance of Vending Certificate to hawkers who were rehabilitated in NKDA Hawkers Markets.
 - e. Actions will be taken to declare all NKDA Hawkers' Markets as Vending Zone and rest area will be declared as Non-Vending Zone. Notification in this regard will be issued in consultation with Chief Law Advisor, NKDA.

As there were no other issues to be discussed, the meeting ended with thanks to and from the Chair.

6.	Shri Pradyut Roy, Project Co-ordinator, Fuljhuri	Member, Town Vending Committee, New Town

Chairman, Town Vending Committee, New Town and Chief Executive Officer, New Town Kolkata Development Authority welcomed the members present and initiated the discussion.

At the outset, it is informed that the sixth meeting of the Town Vending Committee, New Town, was convened on 21-01-2025, but said meeting could not be carried on due to lack of quorum, and was adjourned. Now, this adjourned meeting is being held today (29.01.2025) as per provision of 7(3) of the West Bengal Urban Street Vendors (Protection of Livelihood and regulation of Street Vending) Rules, 2018, as no other way is left-out for the Town Vending Committee to take some decisions which are extremely time needed.

Following decisions were taken:

1. It was informed that the first survey of street vendors in Tarulia area was done in August, 2023 in the presence of the representatives of respective Police Authority, Councillors of Ward No. 26 and 27 of Bidhannagar Municipal Corporation and NKDA. Further, survey of street vendors was again done in July, 2024 as per direction of the State Government. As per combined reports of these two surveys, there were 76 street vendors in Tarulia area and

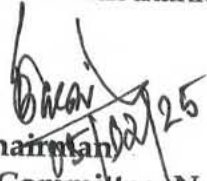

the list of said 76 street vendors was placed before the committee. All the members of the Committee present approved and recommended the list of 76 hawkers for placing the same before the NKDA Board for approval. The lottery for the allotment of shop/stall will be held after approval of the Board, NKDA.

2. In March, 2023 a survey was done and found that the total numbers of hawkers were 485. Out of which 186 hawkers were accommodated at NKDA Hawker's Market at Saporjee (old) and rest 299 hawkers were accommodated in Temporary Hawkers' Market at Shaporji. On verbal request of the Chief Engineer, WBHIDCO another survey was done for construction of Service Road from Saporjee Choumatha to canal near flyover. As a result of that, another 52 hawkers were identified who are required to be rehabilitated by relocating for implementation of the project. Hence, at present total $299+52 = 351$ hawkers identified through survey are required to be rehabilitated at Saporjee. But, subsequently on scrutiny and further physical verification with EPIC and Aadhar Card, it was revealed that there are actually 205 number of street vendors who are to be rehabilitated at Saporjee. Accordingly, a new Hawkers' Market having 205 shops/stalls was constructed at Saporjee to rehabilitate the said 205 hawkers. All the members of the Committee present were agreed and recommended list of 205 hawkers to place before the NKDA Board for approval. The lottery for the allotment of shop/stall will be held after approval of the Board, NKDA.
3. The list of street vendors who will be rehabilitated at the NKDA Hawkers' Market to be constructed near Central Mall specially for the street vendors of DLF-I to Rahara Heights and the adjoining area. The number of stalls in that market is 212. All the members of the Committee present were agreed and recommended list of 197 hawkers, prepared through survey, to place the same before the NKDA Board approval. The lottery for the allotment of shop/stall will be held after approval of the Board, NKDA.
4. Further, the survey conducted by NKDA as per directions of the State Government in July 2-10, 2024 was discussed. A list of 1246 street vendors, obtained from that survey done in 19 locations, were placed before the Committee. It was stated that EPIC was not available for 220 street vendors. So, at present there were $1246-220 = 1026$ street vendors who have all the required documents, which have been collected by NKDA. The question of issuance of Vending Certificate/Identity Cards has already been referred to the UD & MA Department, Government of West Bengal for seeking direction to restrict the numbers of street vendors. All the members of the Committee present agreed and recommended list of 1026 hawkers

It was stated in the meeting that one structure still exists in the middle of the road at Tarulia for which the road could not be completed. Estate Manager, WBHIDCO was requested to take immediate action so that the road can be completed at the earliest.

Estate Manager, WBHIDCO informed that some street vendors were shifted while construction fly-over at Lohar pool at Mahisbathan. Estate Manager, WBHIDCO was requested to furnish the list to NKDA so that it may be placed before the committee for decision.

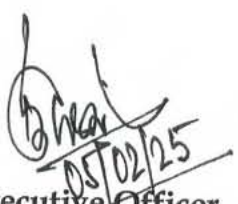

As there were no other issues to be discussed, the meeting ended with thanks to and from the Chair.

No. 88-ACS/IT&E/2024

Dated: 1st September 2024.

To

Shri Manoj Pant, IAS
Chief Secretary,
Govt. of West Bengal

Sir,

Subject: Hawker Survey in Various Municipalities of West Bengal.

I would like to bring to your attention the ongoing hawker survey conducted across various corporations, municipalities, and development authorities. To date, over 1.8 lakh hawkers have been surveyed. The survey is nearing completion in most areas, with only a few municipalities still in progress. This collected data will prove crucial in taking appropriate policy decisions. To illustrate this, please find enclosed an analysis conducted by Shri Dhaval Jain, IAS, Commissioner KMC, of approximately 54,000 hawkers surveyed by KMC.

To ensure the effectiveness of this survey, two follow-up steps are necessary:

1. **Authentication of Hawker Data:** Municipal corporations, municipalities, and development authorities must authenticate the data according to their specific criteria. This process should be carried out by the Town Vending Committees.
2. **Issuance of an Immutable Certificate:** The finalization and issuance of a certificate that cannot be altered is essential.

Completing these steps will enable us to accurately identify and manage newly added or illegal hawkers, thereby maintaining the current number of hawkers at an appropriate level.

I request your support in expediting these follow-up actions to ensure the success of the survey effort.

Yours faithfully,

Addl. Chief Secretary
Government of West Bengal

Dated: 1st September 2024

***27. Letter of CEO, NKDA addressing to Principal Secretary, UD & MA
Department on issuance of Vending Certificate/Identity Cards***

NEW TOWN KOLKATA DEVELOPMENT AUTHORITY

(A Statutory Authority Under Government of West Bengal)

Plot No. DG/13, Premises No. 04-3333, Action Area-ID,

New Town, Kolkata - 700 156

Memo No. 674 /NKDA/EM-I/Hwk/04/2024

Dated : 22-01-2025

To
The Principal Secretary,
UD & MA Department
Government of West Bengal,
Nagarayan,
DF-8, Sector-I, Salt Lake,
Kolkata - 700064

Sir,

In pursuance of earlier communications in file vide no- NKDA-16018/2/2024-CEO (NKDA), Computer No- 1003963, I am to hereby seek kind instructions regarding issuance of vending certificates/Identity Cards at New Town, Kolkata to the hawkers who are identified for the same.

To recall, WBHIDCO has, from time to time, identified and handed over possession of different land-chunks in favour of NKDA for construction of hawkers' markets for facilitating rehabilitation of hawkers, away from the pavements where they were/are located. The rehabilitation markets were/are being constructed by NKDA on the strength of funds received from the Government of West Bengal in the UD & MA Department.

In this process, 1195 hawkers have already been rehabilitated in 10 hawkers' markets at different places in the New Town, Kolkata (**Annexure-I**). The hawkers were/have been surveyed and identified by NKDA. They were/have been given letters of provisional allotment on yearly 'leave and

license' (**Annexure-II**) basis, and a monthly rent was/has been levied on each such allottee, as identified by NKDA from time to time.

While 10 markets have already been constructed to accommodate the aforesaid 1195 rehabilitated hawkers, works in 5 more markets are underway to rehabilitate another 693 identified hawkers (**Annexure-I**).

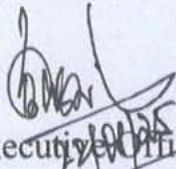

Thus, a total number of 1888 hawkers will be completely rehabilitated as allottees on yearly 'leave and license' basis in course of the next few months. In July, 2024, through a further hawker survey, another 1246 hawkers have been identified to have been having vending activity on the pavements of New Town, though only 1026 of them have requisite supporting documents i.e., EPIC and Aadhar Cards. **The current communication is about these 1026 identified hawkers in New Town (Annexure-III).**

The names and particulars of these 1026 identified hawkers have been obtained through the recent App survey jointly by NKDA, local police authorities and hawkers' unions. The App was provided by the IT &E Department, Govt. of West Bengal.

The question is : in the interest of prevention of further encroachments of the pavements, roads and nearby govt. lands in the New Town, should these 1026 identified hawkers now be granted vending certificates/identity cards?

Since NKDA is anxious to work as per the departmental policy and direction, a kind early clarification and instruction will help us in chalking out the next course of action.

Besides, a policy decision is required how to rehabilitate these 1026 hawkers in New Town as identified by this App Survey in July, 2024.

Chief Executive Officer,
New Town Kolkata Development Authority

28. Reply of UD & MA Department :

Awaited.

29. CONCLUSION

This synoptic document is prepared on the basis of the activities done by NKDA time to time since inception towards the rehabilitation of the street vendors in the New Town Area to facilitate a better living environment to its citizens and to retain the picturesque plan of roads, footpaths and green area. As of now, NKDA prepared 1931 vending stalls in 14 NKDA Hawkers markets and 1026 street vendors are to be rehabilitated. Hence, as per survey total no. of street vendors in New Town is $1931 + 1026 = 2957$. So, NKDA has already rehabilitated 65% of existing street vendors in their existing Hawkers' Markets and provisioning of rehabilitation of street vendors for rest 35% is needed. Besides that, NKDA already requested WBHIDCO on 20-05-2024 for suitable lands to construct new hawker market from state government fund to rehabilitate rest (1026) street vendors. After getting reply from WBHIDCO, NKDA will take appropriate action to complete rehabilitation process of all the street vendors in New Town in phase manner.
